SUBJECT : BARKER Material

REF : MEMO 125, MEM-009-214

Would it be possible to obtain some more information from BARKER in regard to his not only the would like to know in what circumstances the Police came to write these studies, that branch of the pre-war Polish I.S. sponsored the undertaking? When and by whom was the material prepared? Was this material accessible to members of the Alomar and allied agencies, or was the use confined to a limited number of interested parties? (Was the material in general use for training purposes?) Ask BARKER to give a detailed account of the circumstances in which he obtained copies of the material?

to give this material is BARKER familiar with the BARKER material and would we be correct in assuming that at least in part, they are based on the Polish material?
